

## TORNADO SAFETY INFORMATION

Tornado season is upon us. Please take a moment to develop your safety plan in the event of severe weather during your stay at Alma RV Park. Here is some information that may assist you.

Sign up to receive texts, calls, or emails during weather emergencies via "AlertSense" courtesy of the Harlan County Sheriff's Department. Use 501 South Street for your address.

<http://public.alertsense.com/SignUp/>

The Sheriff's Department is located at 706 2<sup>nd</sup> St. As you leave the park, turn left onto South. Go one block and turn right onto John St. Go six blocks North. Turn left onto 2<sup>nd</sup> St. At the end of the building, turn right onto Church St.

Time: 2 minutes without traffic (.4 miles).

Upon arrival at the Sheriff's Department, you may enter the West doors. If the doors are locked, push the call button beside the door. There is a tornado shelter in the basement.

### **SIREN:**

Please note that Alma uses a siren for tornado warnings, as well as for Fire and Rescue. The difference is that the siren will sound three times on/off/on/off/on for an emergency and will stay on continually as a weather warning. Please note that the siren is tested on the first Monday evening of each month.
